Statue of Liberty & Ellis Island

<https://www.statueofliberty.org/>

"The Statue of Liberty Enlightening the World" was a gift of friendship from the people of France to the United States and is recognized as a universal symbol of freedom and democracy. The Statue of Liberty was dedicated on October 28, 1886. It was designated as a National Monument in 1924. Employees of the National Park Service have been caring for the colossal copper statue since 1933.

Ellis Island is a federally owned island in New York Harbor that was the busiest immigrant inspection station in the United States. From 1892 to 1954, nearly 12 million immigrants arriving at the Port of New York and New Jersey were processed there under federal law.

Thomas Edison National Historical Park

<https://www.nps.gov/edis/index.htm>

Where Modern America Was Invented. Thomas Edison's home and laboratory are a step back in time, when machines were run by belts and pulleys and music was played on phonographs. Where to the uninformed passerby, the buildings betray little evidence of the industries they once started. Discover where America's greatest inventor changed our world forever.

Iconic sites in Manhattan

Manhattan is the most densely populated of New York City's 5 boroughs. It's mostly made up of Manhattan Island, bounded by the Hudson, East and Harlem rivers. Among the world's major commercial, financial and cultural centers, it's the heart of "the Big Apple." Its iconic sites include skyscrapers such as the Empire State Building, neon-lit Times Square and the theaters of Broadway.
